### Society of St. Vincent de Paul

The Society has missed out on several Church-gate collections at Our Lady of the Rosary due to the coronavirus situation. The usual Christmas Collection will not take place this year.

In this difficult winter, the Local Conference appeals to the usual generosity of parishioners, as it continues to offer support and practical help to families in need.

If you are in a position to donate, please deliver contributions through the Letter Box on the Sacristy door. Mark the envelope St. Vincent de Paul and it will be passed on to the local representatives.

### Calendar Events

A recording of the Maternity Hospital's Annual Ceremony of Remembrance, which took place on Sunday 22<sup>nd</sup> Nov, is available on the Webcam Page.

This Sunday, 29<sup>th</sup> Nov 2020, is the First Sunday of Advent. It marks the beginning of the Liturgical Year and a time of preparation, watching and waiting, for the joyous occasion of the Birth of Christ.

On Wed 2<sup>nd</sup> Dec, we expect to return to somewhere between Levels 2 & 3 of the National Framework for Living with Covid-19 and to have the Church open again for Mass in public. This is subject to the official government announcement by the weekend and to any necessary restrictions on numbers.

### Visiting the Church

The Church is open for personal visits and private prayer from 10:30 a.m. to 3:00 p.m. each day, Mon. to Sat. with entry by the Side Door. Please use the hand sanitiser and adhere to social distancing.

We are grateful to all parishioners who have used the Sacristy Letter Box to return Collection Envelopes, and to arrange Masses for Anniversaries and Intentions.

On Tues 8<sup>th</sup> Dec, we celebrate the Feast of the Immaculate Conception with Mass at the usual times.

### Using the Webcam

Information on services available during the pandemic may be found on the Parish Website through the 'Our Parish' menu. Guidance on Internet Services is also provided. Those who are less familiar with online resources may appreciate the assistance of friends.

### Papal Encyclical 'Fratelli Tutti'

This extract is from a section on International Power. See the Limerick Diocesan Website for complete text.

170. I would once more observe that "the financial crisis of 2007-08 provided an opportunity to develop a new economy, more attentive to ethical principles, and new ways of regulating speculative financial practices and virtual wealth. But the response to the crisis did not include rethinking the outdated criteria which continue to rule the world" .[147] Indeed, it appears that the actual strategies developed worldwide in the wake of the crisis fostered greater individualism, less integration and increased freedom for the truly powerful, who always find a way to escape unscathed.

171. I would also insist that "to give to each his own" - to cite the classic definition of justice - means that no human individual or group can consider itself absolute, entitled to bypass the dignity and the rights of other individuals or their social groupings. The effective distribution of power (especially political, economic, defence-related and technological power) among a plurality of subjects, and the creation of a juridical system for regulating claims and interests, are one concrete way of limiting power. Yet today' s world presents us with many false rights and - at the same time - broad sectors which are vulnerable, victims of power badly exercised" .[148]
